

funds. For the 2007-2009 fiscal biennium, the State Board of Education shall not allocate funds under this section to a county found to have used these funds to supplant local per student current expense funds. The State Board of Education shall make a finding that a county has used these funds to supplant local current expense funds in the prior year, or the year for which the most recent data are available, if:

- (1) The current expense appropriation per student of the county for the current year is less than ninety-five percent (95%) of the average of the local current expense appropriations per student for the three prior fiscal years; and
- (2) The county cannot show: (i) that it has remedied the deficiency in funding or (ii) that extraordinary circumstances caused the county to supplant local current expense funds with funds allocated under this section.

The State Board of Education shall adopt rules to implement this section.

SECTION 7.7.(c) Phase-Out Provisions. – If a local school administrative unit becomes ineligible for funding under this formula because of (i) an increase in the population of the county in which the local school administrative unit is located or (ii) an increase in the county-adjusted property tax base per student of the county in which the local school administrative unit is located, funding for that unit shall be continued for seven years after the unit becomes ineligible.

SECTION 7.7.(d) Definitions. – As used in this section:

- (1) "Average daily membership" means within two percent (2%) of the average daily membership as defined in the North Carolina Public Schools Allotment Policy Manual adopted by the State Board of Education.
- (2) "County-adjusted property tax base per student" means the total assessed property valuation for each county, adjusted using a weighted average of the three most recent annual sales assessment ratio studies, divided by the total number of students in average daily membership who reside within the county.
- (2a) "Local current expense funds" means the most recent county current expense appropriations to public schools, as reported by local boards of education in the audit report filed with the Secretary of the Local Government Commission pursuant to G.S. 115C-447.
- (3) "Sales assessment ratio studies" means sales assessment ratio studies performed by the Department of Revenue under G.S. 105-289(h).
- (4) "State-adjusted property tax base per student" means the sum of all county-adjusted property tax bases divided by the total number of students in average daily membership who reside within the State.
- (4a) "Supplant" means to decrease local per student current expense appropriations from one fiscal year to the next fiscal year.
- (5) "Weighted average of the three most recent annual sales assessment ratio studies" means the weighted average of the three most recent annual sales assessment ratio studies in the most recent years for which county current expense appropriations and adjusted property tax valuations are available. If real property in a county has been revalued one year prior to the most recent sales assessment ratio study, a weighted average of the two most recent sales assessment ratios shall be used. If property has been revalued during the year of the most
